

SUNDAY MORNING ~ 9:15 AM

We have multiple adult classes. Different styles, topics, ages. Try one. Try all. Find a place for you to fit. **A list of classes is on the foyer's welcome table.**

What is Sunday School? It is more than a group of people. When you are gone, this group misses you. When you are hurting, this group prays for you and protects you. In your success, this group celebrates. In this community you share and learn. You prepare for serving through the week. Then, you will return for healing and love. Your class is not really *school*, it become your *immediate* family of God.
